Our organization is engaged in manufacturing and supplying Bricks, Blocks & Interlock Tiles in the domestic market. The products we manufacture are acknowledged for smooth finish, strong construction, impact resistance and durability.

About Us

'Olympic Precast Concrete Private Limited' is a Chennai based organization engaged in manufacturing and supplying Bricks, Blocks & Interlock Tiles. Established in the year 2009, our organization is a Limited Liability Firm, engrossed in supplying construction material and allied products in the domestic market. Available in the categories including Floorware, Paverware, Blocks and Concrete Molded Products, our products are acknowledged for features like strong construction, high quality and strength. Our robust infrastructure comprises an advanced production unit and a quality control unit. We have two factories that are constructed in an expanded area of 3 acres. A team of highly skilled professionals assists us in scrutinizing the product line on the basis of quality standards. Once the orders are ready, we timely dispatch these through our wide distribution channel. Highly content with our product quality and policies, some of the reputed clients we serve include L & W, Marg Swarnboomi and Billimoria Construction. 'Mr. T.N. Gnanapraksh' is the C.E.O. of the company and holds industry experience of seven years. Under his guidance, the company has shown great potential. His business sense and knowledge have helped us in getting a better understanding of the market and clients' preferences.
