Omega Ecotech Products India Private Limited

<https://www.indiamart.com/omegaeotechproducts/>

We are one of the prominent manufacturers, suppliers and exporters of Biofertilizers, Biofungicides, Biopesticides, Organic Manure and Processed Coco Peat Products.

About Us

OMEGA ECOTECH PRODUCTS INDIA PRIVATE LIMITED came into existence in the year **1999** at **Coimbatore, Tamil Nadu (India)**. We are engaged in **manufacturing, supplying and exporting** a comprehensive gamut of **Bio Fertilizers, Bio Fungicides, Bio Pesticides, Organic Manures, Growth Promoters and Processed Coco Peat**. This company is promoted by a team of Environmental and Agricultural scientists with rich experience in Biotechnology, Horticulture, Waste Land Development, Solid Waste Management and Organic Agriculture. The head office is based at Coimbatore and the company has sophisticated manufacturing facilities at Anthiyur near Pollachi and in Coimbatore. The company has developed a patent pending technology in cocopeat processing. The manufacturing facility at Anthiyur is for the manufacturing of composted and compressed coir pith bricks and blocks. The various types of machines used for processing have sufficient process control and instrumentation. The labour force numbering around 100 are well trained in different operations right from composting of coir pith to final packing. The bio-product manufacturing facility at Ganapathy, Coimbatore, also has R&D and quality control facilities. A range of organic inputs like Bio-fertilizers, Bio-pesticides, Bio-fungicides etc are manufactured and supplied throughout the country. Modern and technology oriented machineries are employed for production and quality...
