Om Health Care Instruments

https://www.indiamart.com/omhealthcareinstruments/

Rightly utilizing its rich and diverse experience of 10 years, Om Health Care Instruments has become India’s leading manufacturer and trader of physiotherapy equipment.
About Us

Established in the year 2000, we are one of the reputed manufacturers of medical instruments. TC instruments and other associated products. Under the guidance of our mentor Mr. Virendra Gujar, we have maintained a positive growth rate. To support his business initiatives, we have with us experienced team which constantly strives towards bringing further improvements in our range of products, thus helping us meet the specific process requirements of the medical fraternity. Our consistency in delivering high performance oriented instruments has enabled us to capture both the domestic and international markets. We offer health care instruments like heat therapy instrument, cold therapy instrument, traction system, traction table, combo therapy units, electrotherapy instrument, ultrasound therapy instrument, tns instrument, laser therapy units, treatment table, surface emg biofeed back unit, isokinetic system, tilt table, chest vibrator, medical gymnasium instrument, 2/4 channel computerised emg/ncv/ep system and other physiotherapy equipment.
