About Us

Established in the year 2017, we have come a long way by diversifying our services and meeting all the expectation of our clients so far. Our business stretches from Kolkata to London, along with global partnerships all over. Our focus is to provide the most cost effective, innovative and tailored maritime solutions to all our clients.

If you are looking for quality offshore logistics, think Omnitude!

Omnicare is an integrated maritime service provider, managing over 5 fleets to ensure reliable and efficient ship management services to its customers. We are a shipping management startup with branches in Kolkata and London. The company believes in its people, and long-term relationships with them.

With our team of highly- trained and experienced mariners we offer our customers a full range of services which include breakbulk, out-of-gauge, reefer and our list integrated services. With our trusted network of sea transport, our partners can move products anywhere and everywhere in the most efficient way!

You think, and we make it possible!
