

Om Waterjet Machining Private Limited

<https://www.indiamart.com/omwaterjet-machining/>

We are service provider & supplier of best quality CNC based water jet cutting machines & systems from Hydra Jet Technologies, USA. Also offer water jet spare parts & cutting services for metal, glass, wood, rubber, marble & granite.

About Us

We, **Om Waterjet Machining Private Limited**, based in **Jigani Industrial Area, Bangalore**, were established in the year **2010**. We have successfully introduced waterjet cutting systems from the company **Hydrajet Technologies, USA**. Our water jet cutting machines are applicable in **Glass, Ceramics, Metal Cutting, Metal Artwork, Nontraditional & Exotic materials, Electronics, Machine Shop & Job applications**. Our company has long-standing industrial experience, which has allowed us develop into one of the most respected companies in the market and among our client base. We serve the market with our automatic water jet cutting machines, cutting machines, laser engraving and most importantly, the CNC water jet cutting machines. We have been able to achieve our goals by meeting the requirements of our clients perfectly. We have progressed well since our inception in the industry. We have thereby grown at a rapid pace in the industry and gained a leadership position as well. We are proud of having achieved our goals, which serves as a source of inspiration to us to deliver better products in the future. Our company is also embracing and exploiting new opportunities in the industry to serve our clients better.
