

Onkar Electricals

<https://www.indiamart.com/onkarelectricals/>

We are a prominent manufacturers and suppliers of Industrial Electrical Products and Lighting System. These are widely appreciated for their Corrosion resistance, Short circuit Withstanding ability, Performance and Safe operation.

About Us

Established in the year 1998, we, **Onkar Electricals**, are one of the leading manufacturer and supplier of **Overhead lines, Transformer installation and Underground Cable works**. The entire assortment of our products is acclaimed for its durability, high performance, low power consumption and safe operation. Owing to all these attributes, our products are used at highways, main roads, stadiums, traffic junctions and many more.

With the help of our R&D unit, we have been able to analyze the latest market trends and accordingly manufacture products implemented with a high performance and are cost effective. Manufactured using high grade material and latest technology, these are designed in compliance with international quality standards.

Our team of professionals are capable of meeting the clients'™ requirements by comprehending their likes and preferences and thereby, attaining stronger client base in Indian as well as international market. Availability of our products in different specifications as per the clients'™ requirements has enabled us to fulfill the clients'™ demands. With the help of our **total quality management (TQM) system**, we are able to test the quality of our range on various parameters.

Our mentor **Mr. Bhaskar Thore**, has done a course of **HSC/ITI Electrician** and has worked as an **Electrical Contractor**. Under his...
