About Us

On Street Communication is a reliable **Service Provider** that is involved in providing **Bus Shelter Advertisement, Advertising Services, Bus Shelter Advertising**, etc. We are a well known **Partnership** firm which is incorporated in the year **2006** and providing reliable and well managed services across the nation and in a timely manner. On Street Communication is an off shoot of the flagship company Shree Advertising, a conglomerate of OOH media with a strong foothold in Navi Mumbai for over 15 years. Advertising for us is more than just the typical conventional formats of print, radio and television. We have broken barriers and explored various mediums. With changing times and advanced technologies. There is a greater demand for point of sale communication making non-conventional media formats the most preferred choice. We are the pioneers in wrapped bus advertising for AC King long buses. We have handled bill boards and bus-stops, it gives us great pride to say that we own the sole media rights for the entire media in Navi Media.
