About Us

Orange Conveyor Systems has conceived its business operations in the year **2006** as a **Partnership** firm in the industry. We have established our operational units at **Chennai, Tamil Nadu (India)** and are engaged in the business of **manufacturing** and **supplying** of quality approved products range. Our products range comprises of **Drum Dispenser Stand, Material Handling Conveyor, Special Purpose Machine, Belt Conveyor Recycle** and **many more** products in the list. Our products are accurate in dimension and have high strength. We always stay ahead from our competitors in terms of quality, deliver and packaging. We are a quick growing company that is always available for its clients and look further for their comfort. We always maintain our standards and have great standings on all of our business. Moreover, all the products range is tested and verified on several quality parameters by our team of quality experts and available at industrial prices in the industry. Under the vigilance of **Mr. Sathish Kumar P**, who is designated as manager projects in the company, our organization, Orange Conveyor Systems have achieved several successes in the industry. He is consistently engaged with our employees in manufacturing process and gives his suggestion time to time. He dedicatedly spends time and energy to accomplish the task. He has clear and exciting ideas to get the job done in appropriate manner. We have appointed...
