Orient Filters

<https://www.indiamart.com/orient-filters/>

Manufacturer and importer of PP pleated filters, SS pleated filters, depth filters etc.

About Us

Orient Filters, established in 2005, is pleased to introduce itself as one of the leading manufacturers and importers of S S 316 Pleated Filters, Depth Filters, String Wound Filters, Pleated Filters (Cartridge with PP micro fibers) and Filter Housings. Our Company, Orient Filters, is one of the leading manufacturers and importers of High Pressure Stainless Steel Pleated Filters from India. Right from the beginning our company has become the leader in filter production equipment. Our diverse range of high quality products combined with our unmatched services and competitive prices has earned us a favorable reputation in the business circles today. Our filters are well known for their strength and durability.

Based on wide experience and expertise, our company is a trusted name among our customers. Our company's state of the art technology coupled with strict quality control, along with an outstanding manufacturing process have earned us large consumer patronage and appreciation. We make every effort to provide our customers with new technologies and products that are cost effective and guarantee flawless performance.
