## About Us

Orient Carpets (OC) was founded in 1975, in the famous Carpet Belt of India, Bhadohi. But its existence dates back to pre-independence, when there were just five carpet firms, two English and three Indian firms, one of them was founded by our forefathers.

Every rug that comes out of this house serves a purpose which is more than just bringing life into a particular space. It also strives to infuse life into the lives of our people, artisans, suppliers, customers & all our stakeholders of OC Family, making sure no one gets left behind.

For this very reason, this house boasts of proud association with the oldest set of amazing people it has been working with, clients across the world, who chose our house, became part of it & stayed with us forever.

“Be kind whenever possible. It is always possible”, said the great Dalai Lama & practiced at OC with utmost sincerity & honesty by our founder & father, Shri. Bechulal Gupta (fondly known as BLG). Orient Carpets has been spreading Kindness, Love & Happiness, standing tall on the grounds of Trust and Honesty since its inception. Following into the footsteps of their father, BLG's sons, Mr. Pankaj, Mr. Neeraj & Mr. Vinay took OC to global levels of excellence where it continues to be one of the most trusted names in the industry. Fascinated by the beauty of this industry, the next generation joins OC. BLG's grandson Harshit, wants to preserve this age old craft...
