<https://www.indiamart.com/origin-dna/>

A team of award-winning art & design professionals, we create art/design works for all budgets, sizes, styles, genres & mediums. We guarantee our quality, commitment and on time delivery to any undertaken work.

## About Us

Established in the year **1998**, **Origin-DNA (Design & Arts)** is a leading **Manufacturer** of visual arts. Our range includes **Customized Sculpture, Human Statues, Relief Mural Arts, Mural Paintings**, etc. We are a complete solution from concept design to commissioning based on the need and individual requirements of the clients. Origin as a group of professional artists & designers is committed to provide solutions to enhance the beauty, ambiance, aesthetics of spaces and handsome addition in the interior.

As a leading solution provider and consultants in visual arts, we do not source from other artists or craftsmen but conceptualize and create original art from scratch to execution and to installation. With the changing scenario in the architectural & interior design field, the contribution of visual artworks has attained great impetus.

Origin is founded and lead by an artist and designer duo "**Mr. Manish Kumar & Mr. Umesh Sharma**". Their excellent managerial skills, sound knowledge and constant inspiration have enabled us to scale great height in the market.
