About Us

Oxygen Services India Private Limited, an ISO 9001:2008 certified company, is India's Largest Payments Solutions Provider. Oxygen is in the business of service aggregation, distribution and payment processing/collections. This business was initially built to service the nations Telecom/DTH Operators, Multiple Services, Providers and Banks, Pan India and to provide easy access to the people of India, to pay for services at their neighbourhood retail.

10 years on, Oxygen Services continues to lead the industry in the Recharges, Money Transfer & Bill Payments space. Oxygen now empowers many large format retail chains, banks portals, mobile wallets, wapsites and government portals, to enable them for their own customers to make easy merchant payments using Oxygen's aggregated services, as well. A company that has the largest retail footprint of small retail outlets crossing 1,30,000 in numbers, sees more than 50 million plus transaction per month. Oxygen continues to work on Financial Inclusion drives and is a Banking correspondent to many banks, working on No Frill account opening and money transfers. With a strong innovations team, Oxygen's proprietary software is available for retailers and partners to access from a variety of tools, like the web, sms, mobile/pc apps & on Oxygen's own Point of Sale Machines.
