About Us

OXOtech is an innovative technology company that provides quality IT services and web solutions to the industry. OXOtech offers a wide range of expertise in the areas of web solutions, software development, typing services, e-learning solutions, consulting services, outsourcing solutions, and people resources.

OXOtech has state-of-the-art development centers located in USA, Australia, India, and Bangladesh and has established long-term relationships with major corporations spanning manufacturing, insurance, banking, finance, healthcare, and telecom and transportation industries.

Our methodology combines people, technology, and process to provide our clients with tangible, concise deliverables, and a measurable return on investment.
