## About Us

**Oyster Media** is a small yet highly productive design studio based in Mala. All briefs are tackled with an abundance of creativity, carefully managed and with great attention to detail. We step into the client's shoes and define the target audience, which results in truly bespoke, appropriate and effective graphic communication. Our aim is to use creative visuals to bring business to your foot step. Our talented team can help you with all your graphics, design, editing and imaging needs.
