About Us

Established in the year 1999, at DAMAN(U.T), we, “**Pacific Plastic Industries, Daman,**” are one of the leading manufacturers and suppliers of a quality range of **Plastic Packaging Bags and Material**. We manufacture these using quality basic material to maintain international quality standards and consistent quality in the end products. These products are known for features like reliable performance, longer service life, water resistant finish and tear resistant finish. Our commitment to quality and untiring efforts of our quality controllers have made us one of the foremost choices of our respected customers. Our production staff pays utmost attention to the specific requirements of our clients and offer customized product range without compromising quality standards. We also have a sound infrastructure facility, well equipped with all the requisite tools and machines. All these facilities enable us to meet clients' bulk requirements in a stipulated time frame. In addition, we are also committed to offer products which are best in the market at market leading prices. Innovation is one of the several key factors behind our success and growth as we always come up new and latest products as per prevailing market trends owing to our R&D wing. Under the able guidance of our mentor, **Mr. Rupesh Agarwal and Mr. Anand Goyal**, we have created a niche for ourselves in the market. With their rich industry experience and in-depth...
