

Pahuja Fibre Glass

<https://www.indiamart.com/pahujafibre/>

We are an ISO 9001:2008 certified organization engaged as a manufacturer, supplier, and exporter of Fiber Glass Automobile Components. Our products are known for features like high performance, low maintenance and durability.

About Us

Established in the year **1990**, we, **Pahuja Fibre Glass**, are an ISO 9001:2008 certified organization engaged in manufacturing and supplying **Fiber Glass Automobile Components**. We offer products like Coil Case Assembly, Centre Duct Assembly, FRP Tray, Die for Engine Cover, Side Covers and Cab Roof for various major brands like **Bolero and M/s Escorts**. Backed by a sound infrastructure facility, we are capable of manufacturing a flawless range that in turn ensures maximum client satisfaction. We supply the complete range to our valuable customer, M/s Sanden Vikas (I) Pvt Ltd, Faridabad, India (an automobile car AC manufacturing company), which in turn supplies the AC units to automobile industries like Mahindra, Telco, Hindustan Motors, G Motor and Eicher. Under the able guidance of our mentor, **Mr. V. K. Pahuja**, we have been able to establish ourselves as a reputed group in the industry. Owing to his sharp business insight and ample industrial experience in this field, we have carved a distinct position for ourselves in the market place.
