About Us

Established in the year **1948**, **Pallishree Limited** is engaged in cultivating, supplying, trading and exporting quality assured range of Agricultural Seeds. Pallishree Ltd. is a part of the B.K. Roy Group of Companies, founded by Late Sri B.K. Roy, a legend and a great visionary of the new West Bengal agricultural and poultry sectors. The variegated range that farmers and cultivators can avail from us includes **Fruit Plant, Oil Seed, Vegetable Seed, Indian Pulse & many more**. These varieties are of high yielding and genetically sound, hygienically processed and disease free. Besides, these are also known for their long shelf life. We offer these to our farmers in bulk quantities and in safe packages to meet their exact demands.

We have developed a state of the art infrastructure at our premises in order to cultivate, process, export, trade and supply variegated range of agricultural seeds and other products. This infrastructure comprises all the facilities essential in form of production unit, research unit, tissue culture lab, quality testing unit and storage & packaging. We have installed latest machines and other facilities in these units that allow us in smooth and timely completion of all the processes. Our research unit allows us to develop quality seeds and inbred varieties that yield more than any comparable variety, that are resistant and tolerant to biotic stresses. Stringent quality checking is also carried out by our...
