About Us

Panaround Impex is an export & import trading company based in Nagpur. It is trading hub in central India. The company was started in the year 2005 as exporter of electronic goods. We have diversified in range of products from commodities to industrial goods. We are a professionally managed company. Our team consists of engineers and graduates from reputed institute like EDII (Entrepreneurship development institute of India). We provide products with a service which delights our customers by its quality. We believe in building relationship and partnering through our business activities for long term. We thrive for the success of our suppliers and buyers. We have a very good network of trading companies who provide excellent quality of products directly purchased from producers and farmers. They have processing facilities like sorting, cleaning and grading. We also have very good network of logistic companies and clearing forwarding agents in almost all the major ports in India. We successfully cater the needs of our international clients. We continue to increase our investments and infrastructure with particular emphasis to creating partnerships with farmers and contracting with suppliers. We have partners who have proven competencies and investments in the areas of Procuring, Warehousing and Logistics. We have enabled our trading Company to provide a comprehensive basket of services at every stage of the supply chain.
