About Us

Founded in the year **1996**, **Par Electronics System** is one of the leading **Manufacturer, Wholesale Trader** and **Service Provider** of **Solar Inverter, Water Heaters, Unique Power System** and **much more**. In their development process, we assure that only top notch material is used along with ultra-modern machinery. Besides this, we check these on a variety of grounds before finally shipping them at the destination of our customers. Working under the mentorship of **Mr. Nilesh Khutal**, we have acquired a reputed stature in the industry.
