# Paramount Conductors Limited

<https://www.indiamart.com/para-mountconductors/>

We are noteworthy **Manufacturer, Exporter** and **Supplier** of supreme grade Motor Coils, Spare Coils, Insulated Conductor System, etc. The offered products are widely demanded for their robust construction and long service life.

## About Us

**Paramount conductors Ltd.** came into existence more than three decades back under the visionary leadership of **Mr. G K Tapadia** with a mission to develop hitherto imported machines in the field of **Insulated Conductors/winding wires** and **machines for winding/rewinding of static/rotating machines**. Company's effort in development of hitherto imported machines and special purpose machines lead to recognition of the company as Research and Development Laboratory by the Ministry of Science and technology, Government of India since 1970. In 2002 the company received **ISO 9002 certificate from SGS**. Paramount undertook forward integration into the manufacture of Insulated Conductors/winding wires and then ventured into rewinding and repairs of LT/HT Motor, Generator (13.8KV/50MW), Transformers (220kVA/50MVA), Magnets, and Induction Heating Coils. Paramount is also manufacturing coils for all these electrical equipments along with manufacture of lifting magnets and separators. Paramount has accumulated a wealth of experience in the design and manufacture of special machines for electrical and metal industries. Paramount along with associate Anupam Insulating Industries Pvt. Ltd. has extended technical and financial collaboration to Paramount Arabia ltd. for the manufacture of insulated conductors/winding wires and motor rewinding in the Kingdom of Saudi Arabia. It is the only plant of its kind in Saudi Arabia and surrounding Gulf...

# MACHINES FOR MOTOR GENERATOR & COIL MANUFACTURING

Our Product Range

Bearing And Coupling Puller  
Machines

Hydraulic Coil Spreader  
Machines

Coil Winding And Looping  
Machines With Counter

Mica Under Cutting Machines

# TESTING EQUIPMENTS FOR INSULATED CONDUCTORS

Our Product Range

Bull Block Wire Drawing Machine

Fine Wire Drawing Machine

Medium Wire Drawing Machines

Vacuum Bright Annealing Furnaces

## WIRE ENAMELLING MACHINES

Our Product Range

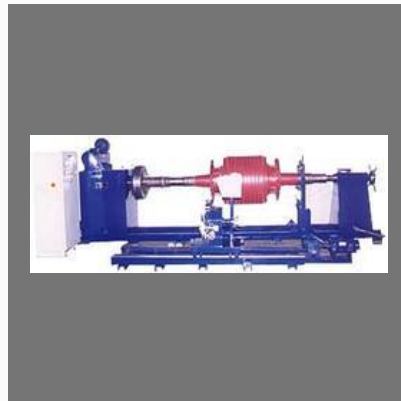

Vertical Wire Enamelling Machine

Vertical Wire Enameling Machine

Strip Enameling Machines

Armature Banding Machines  
above 100 HP motor

# HIGH VOLTAGE MOTOR GENERATOR TESTER

Our Product Range

Motor Test System

Core Loss Tester

Transformer Test Systems

# COILS FOR MOTOR GENERATORS TRANSFORMERS AND LIFTING MAGNETS

Our Product Range

Magnetic Coils

Stator Coils

Field Coils Wound On Fibre  
Glass

## OTHER PRODUCTS:

Induction Bearing Heater Machines

Tandem Wire Flattening Mill Machines

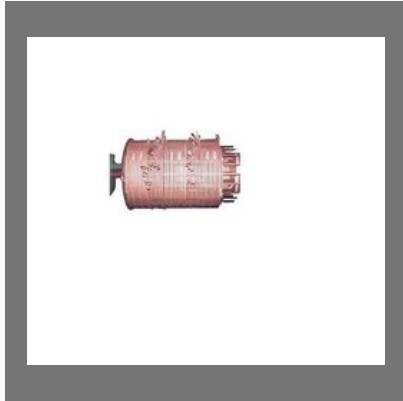

Rod Break Wire Drawing Machines

Threading And Pointing Machine

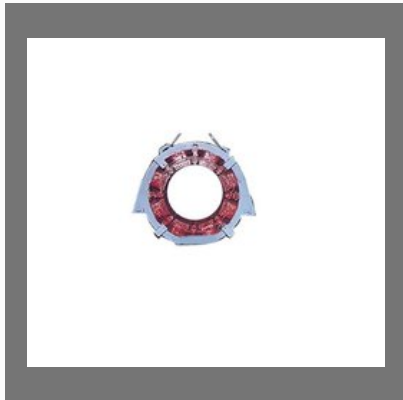

**OTHER PRODUCTS:**

Transformer Coils

Induction Heating Coils

Motor Generator Transformers  
Repair And Winding Machines

Motor Generator Transformers  
Repair And Winding Machines

# Factsheet

Year of Establishment : 1970

---

Nature of Business : Exporter and Manufacturer

---

Total Number of Employees : 101 to 500 People

---
