<https://www.indiamart.com/paradise-international/>

Manufacturer of buffalo horn button, coconut button etc.

## About Us

Since 1983 we have been producing Buffalo, Cow Horn and Bone Button Blanks, Buffalo, Cow Horn Plates, Bone Scales and Plates with handcrafted finished button and other handicraft items etc., which have been admired. Previously we were selling our products to local exporters in India. Since 2007 we have started to develop our own market Internationally. In this short time we have made numbers of customers in five countries, USA, Germany, Italy, Hong Kong and China.

Our Company is situated, where mostly Buffalo Cow Horn Button Blanks and other handicraft item are getting manufactured, and from our City these all products goes to different part of India, and then supplied to Globally
