Manufacturer of PE - 1 direct on line motor starters, bimetallic contact rivets, over load relays etc.

About Us

Owing to vast experience, Paragon Engineers has carved a niche in the domain of Electric Motor Starter, Submersible Pump Control Panel, Thermal Overload Relays etc. Empowered with a qualified team and robust infrastructure, we have been successfully catering to the agricultural and industrial sector, since 1966. With enterprising skills of our mentor, Mr. Sumer Chand Nahar, we have grown in leaps and bounds in the industry. His industrious efforts have assisted us to stand as the most prominent manufacturer of this field.
