About Us

Param Foodcomplex is a family run restaurant which has been serving high quality Indian vegetarian food to the people of Edinburgh for a quarter of a century. Our family is dedicated to introducing people to the pleasures of Indian vegetarian food.

In our dishes we use only the freshest ingredients, which, wherever possible we have sourced locally. We have a new look but have kept many of the much loved favorites from our old menu but we have also introduced new dishes which reflect the contemporary style of cooking in India today, a style that embraces the concept of fresh, seasonal and exciting food.

We follow a simple philosophy of serving our customers with the best food at reasonable rates. We do not compromise on quality, due to its nature, uses raw ingredients which might pose a health risk. But we have taken every care to carefully process all the ingredients we use.
