## About Us

**Paramonos Technologies** is professionally managed and steered by versatile & committed entrepreneurs. We are in the IT Industry for last six years and have carved out a niche for ourselves in the field of ERP implementation, customized software solutions and offshore IT services. Our customer centric approach keeps our primary focus on delivering solutions which assist customers achieve success. Our teams have implemented software projects in China, Korea and Australia. We have a unique delivery model which factors in all SDLC challenges to deliver quality software every time. All our employees back their experience with minimum bachelors degree education. Our ready to use HRIS/HRMS solutions are suitable for organizations of all sizes and assist you in getting best ROI, without compromising on your needs. We are based out of International IT Park with state of art infrastructure geared to deliver 24/7 solutions for mission critical applications. For high performance, end-to-end software solutions, Paramonos is the ideal partner for you.
