## About Us

We are specialized in planning, setup, managing restaurants, hotels, resorts, clubs, lodging & franchising restaurants. We also provide franchises of ( STUFF'S FOOD ) As we know very well the pulse of hospitality industries in & out gives us advantage over others in managing hospitality business for our clients owning hotels, restaurants, resorts, clubs. As restaurant & hotel consultants we not only cure existing units, but lead such units towards maximum profit. As a consultant we work towards reducing project cost by, by passing over & unwanted expenses, our time management process reduces project cost due to our established network of supplier, our relationship ensure's that we get most competitive pricing and terms available in the market, though it reduces the project cost still we are maintaining higher level of quality work & satisfaction
