About Us

Vedic remedies are intricately intertwined with Vedic Astrology. Parashara has been on the Vedic Astrological scene for over two decades, and has the privilege of being part of the development team of Parashara's Light, the world's best, accurate and most popular Vedic astrology software. So Parashara Vedic Solutions is really the result of our evolution process, as we move on to the plain of Vedic remedial measures, as recommended in our ancient classics. We have tried to present before you the classification, signification and scientific study of the various remedial measures. These are based on classical scriptures, extensive research and individual case studies that have helped us in developing expertise in this area. All our products carry the goodwill of the Parashara name, which is synonymous with trust, responsibility and social initiative.

Our online Bookstore is yet another endeavor to make available the precious legacy of our revered saints and learned authors, published by varied publishing houses, all under one roof, and at discounted prices.
