<https://www.indiamart.com/parashield-corporation/>

We are recognized for being the topmost manufacturer and supplier of a quality range of Shielded Cables, Instrumentation Cables, Insulated Cable, Audio Cables, Co-Axial Cables etc. These products are appreciated for durability and high performance.

About Us

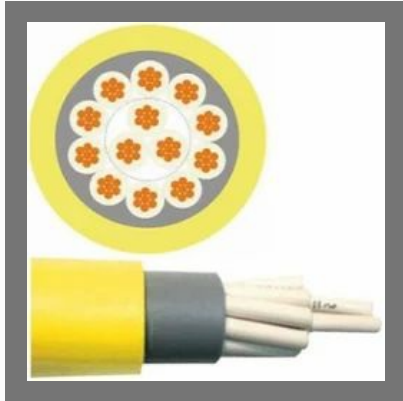

Established in the year **1988**, at **Delhi, India**, we, **Parashield Corporation**, have emerged as one of the foremost name, engaged in **manufacturing and supplying** a extensive assortment of Cables & Wires. These products are fabricated according to the industrial quality standards with the help of the finest quality of basic material. In our vast collection of products, we offer **Shielded Cables, Instrumentation Cables, Single Core P.V.C. Insulated Cable, P.V.C Insulated & Sheathed Cables, Audio Cables, P.C.M. Cables, Audio Cables, Snake Cables, Co-Axial Cables and more.** Our products are widely used in both household and commercials establishments for various wiring needs. Our efficient workforce keeps close watch over the latest technological developments and this helps in the upliftment of our manufacturing unit in terms of employment of most modern techniques. Credibility in the market and trust of the clients is due to our compliance to the internal parameters of quality. With the help of our dedicated employees we always produce and supply a qualitative range of products to our prized clients. The credit for the success of our organization goes to the managerial skills and our honorable mentor, '**Mr. Anil Aggarwal**'. His skilled entrepreneurial insight and disciplined attitude enabled us to be an influential force in the industry.
