About Us

Parasmal Ashok Kumar was established in the year 1965. We are leading Wholesale and Trader and Supplier. Widely used in the preparation of various food items, these are hygienically processed in our processing unit using advanced techniques. These are unadulterated and available in thin as well as thick granules form. Our range is also offered in customized packaging as per the clients' preferences.

The offered range of pure Wheat Flour is processed utilizing high grade seeds and innovative machinery in conformation with the highest quality norms and standards. Along with this. We are putting forth our customers an ideal reach of Wheat Flour that is handled under hygienic condition utilizing forefront innovation. Stuffed in impermeable packaging material to keep up its freshness and unique properties, this extent is tried on a few quality parameters by our specialists.
