About Us

Parco Bag Center was established 1980. We are OEM Manufacturer of School Bags, Ladies Purses, Duffel Bags, etc. Our School Bag is available in various sizes and designs. Moreover, these products are spacious and suitable to keep books, note-books, Tiffin and other school related accessory. It is highly capacious to carry heavy weighted books and notebooks. Smooth zippers and segregated pockets with perfect divisions make the array highly unique. The array is light in weight and has perfect finishing. We quality test our product before making final delivery. This School Bag is known for its optimum quality, fine finish, and classy looks.

Our product range is checked for quality under various set norms of the industry. Our offered product is delivered in time. This product is offered in different sizes, colors and many more. This product is manufactured with the help of advanced techniques using optimum grade raw material keeping in mind industrial quality standards. With duffel bags, you can pack spontaneously-- simply stuff your clothes in the bag, sling it over your shoulder, and get going. We make sure that Cotton Duffel Bags that we provide goes through a stringent check before delivery to the customers. We can cater bulk requirements of the customer. Our Cotton Duffel Bags are available at reasonable prices. These Travel Bags are made up of high quality material and latest machinery by our professionals. Our product range is available at economical price. It is...
