

Parkash Industries

<https://www.indiamart.com/parkashindustries-newdelhi/>

We are foremost manufacturer, supplier and trader of Super Enameled Aluminium Wire and Super Enameled Copper Wire. Our products are famous for its superior quality, product excellence, durable range and flawlessness and optimum performance.

About Us

Incepted in the year **2009**, we, “**Parkash Industries**”, have emerged as the reckoned manufacturer, supplier and trader of **Super Enameled Aluminium Wire and Super Enameled Copper Wire**. Our products are known for optimum performance, high durability, robustness, rust resistant and dimensional accuracy. We are renowned for our product excellence and superior quality. Products offered by us are available in various dimensions, sizes and other related specifications as per the variegated needs of our clients. We have attained a strong foothold in the industry owing to superior class product quality and adherence to international quality standards. Being a customer-centric entity, our products are always competitively priced and have quick turn-around time for delivery of the products.

Owing to our modern infrastructural facilities, we are able to finish the production process with complete time management. In order to manage the organized work flow, our facility is segregated into various departments. All these departments work in close coordination, in order to sustain the smooth production and delivering process. We are able to complete the bulk production as per the requirements of the clients owing to modern machinery and tools. We provide excellent quality products to our customers based on the advance facilities and stern quality control for all our products. Dedicated to manufacturing premium quality products as per the industry...
