About Us

PARKER SHIRTS & TROUSERS was established by Mr. Shrikant Joshi & Mr. Virendra Joshi in the year 1989 in Pune. It is engaged in the manufacture of shirts and trousers for men and caters specifically to the middle class urban and semi urban male. The aim of the Company is to dress the common working man in good quality apparel that renders style at prices that are well within his means. Today Parker brand is manufactured in five production units and sold through 30 exclusive outlets in and around Maharashtra. BRIEF HISTORY Keeping in view the man of modest means, Parker opened their first outlet in Pune way back in the start of the 90s. Well tailored menswear made from good quality cotton fabric was offered at prices that were extremely competitive. No wonder, the product got a very robust response. It helped us gain a large market share and establish our presence in Pune. Within a year the second mega outlet was inaugurated in the heart of Pune's retail market – Laxmi Road. Trendy designs, impeccable quality fabric and delightfully affordable prices gained customer loyalty for brand Parker and encouraged us to spread our presence across Maharashtra. Our 30th franchise was recently inaugurated in Dehradun. BUSINESS POLICY With a well defined customer segment and a clear objective of offering high quality at prices that defy it, we base our business practices on the following - Using quality raw material from renowned vendors like Arvind Mills, Gems...
