## About Us

Welcome to the Parmar Hospital. Established as a hospital for the poor and needy, it has provided relief to thousands since its inception during the year 1978. The transition from a small rented house building to 50 bedded ultra modern hospital, had been gradual and consistent with the desires and needs of the people. The hospital has benefited both the server and the served. Equipped with the state of art Operation Theatres and ICU complex, private rooms and the General care wards it is at par with the best. A spacious parking area, beautiful lawns and quality services at economical charges are the main attractions. The advanced laparoscopic surgical unit equipped with Harmonic Knife, 3 Chip cameras, and Medical grade monitors with facilities for live transmission of surgeries and computerized discharge slips and CD's is amongst the best in the state. Eye Dept. is equipped with the most modern Phaco-emulsification machine, operating microscope, autoref and facility for Laser treatment of Retina. Super specialties like Ortho and Joint Replacement surgery, Laparoscopic Gynecology, Urology, Plastic Surgery, Nero Surgery, Cardiology, Hematology, Medicine and ENT are the other main service windows of the institution. The hospital doctors practice the highest degrees of ethical and moral standards. We extend to you our cordial invitation to visit the hospital as a healthy person. Wishing you to remain disease free and healthy.
