About Us

Established in the year **2015** at **Ahmedabad (Gujarat, India)**, we “**Parshwa Enterprise**” are well-known **Manufacturer, Wholesaler and Trader** of **LED Street Light, LED High Bay, Flood Light, LED Downlight, LED Spot Light, LED Panel Light**, etc. These products are flawlessly designed by our vendors’ experts utilizing quality assured material and contemporary technology. Before making these products available in the market, our professionals inspect these products on well-defined parameters. By providing the best lighting products at clients’ end, we are able to make their all requirements. Available in numerous specifications, these products are known for their features like high illumination, simple installation, eco-friendly nature and premium quality. We deal in some of the leading brands like **Fortuneart, COSMO, INVENTAA** and **Rapid**.

We have set-up a wide distribution network in order to deliver products within the set time frame. Also, we have hired a team of competent professionals, who work constantly for meeting the set objectives of the company. Besides, we are assisted by our skilled procuring agents who select the licensed vendors that hold several years of industry experience and market reputation. Our vendors enable us to meet the bulk as well as urgent orders of clients in stipulated time-frame. We have maintained mutual relation with our vendors and source the entire variety...
