## About Us

PARTH PUBLISHERS was started in the year 2005 by Mr. Manish Agarwal. This humble beginning soon blossomed into one of the foremost and innovative publications in the field of commerce & competition in India. Today Parth books are synonymous with authenticity, simplicity and affordability.

The publication has witnessed a meteoric rise in the last 7 years, escalating its standing as the bellwether in the publication of commerce & competition books. The main thrust of Parth Publishers lies in providing complete information at very affordable prices. Parth books cover a wide range solved Paper of B.COM/ Accountant which are also available at all leading bookstores throughout the country.

We works together with reputed experts opted for his or her longstanding knowledge in academics. The publications are modified by eminently qualified authors and are printed below Local Writing Programmes. We get the author's perspective and allow it to be happen. Master Guides total distinct solutions to meet up every author's writing needs. We obtain the scholar's and skilled resources from around and build it with the aid of new articles and following that people industry and spread the information through the entire India. Master Guides has got the knowledge group to create, revise, evidence, style or develop your guide or brochure in that particular field. We're focused on quality writing and services. We all know that top quality needs determination and commitment. We...
