About Us

Established in **2016** at **Pune (Maharashtra, India)**, “**Parth Enterprises**” is one of the renowned entities engaged in **Wholesaling and Trading** an extensive range of **Odor Eliminator, Adhesive Remover, Heavy Duty Anti Seize, Washroom Cleaner and much more**. Our chemicals are formulated by making use of qualitative raw materials as per the ethical business policies at our vendors’ unit. Our provided chemicals are procured from the certified and authentic vendors of the industry, who process these offered chemicals in tune with the laid industry norms and standards. Extensively applauded and admired for their precise pH value, precise composition, and longer shelf life, these offered chemicals find huge application in varied industries. We function successfully under the supervision and leadership of **Mr. Satyaprakash Prajapati (Owner)**, who has excellent administrative skills, huge industry experience and detailed knowledge of the relevant industry.
