Parth Kitchen Equipments

<https://www.indiamart.com/parthequipmentservice/>

We are the industry leading experts in Manufacturing and Supplying best in class Kitchen Equipment. Our offered product range reflects our specialization in producing dimensionally accurate, corrosion resistant.

About Us

Parth Kitchen Equipments, the leading Manufacturer and Supplier Company of finest quality Kitchen Equipment was established in the year **2005**. With an extensive manufacturing experience, we supply all market sectors with our leading quality Commercial Kitchen Equipment, Restaurant Kitchen Equipments, and Display Counter for Pastry. Our offered comprehensive product portfolio is rich in beneficial features of accurate dimensions, superior strength, corrosion resistance, and durable finish. Besides, our established reputation is complemented by a huge clientele including top hotels, chain restaurants, food courts, and well reckoned catering personnel.

Quality is the core of our founding principles, which is harmonized by responsive technical expertise and modern infrastructure. Our factory unit is equipped with latest hi-speed machinery that guarantees us a confidence to showcase our productivity. Furthermore, our ability to meet the evolving requirements of modernized kitchens made us accountable to serve the best in class products at a fraction of cost. Our range of products are widely appreciated by some of the established names in the country, for instance, we take pride in being called the kitchen equipment suppliers for ALSTOM, Reliance, Zydex and many other reputed entities nationwide.

Owing to the visionary attitude and industrial expertise of guiding force, **Mr. Pramod Prajapati** we are capable to exceeding the expectations...
