## About Us

Established in the year 1999, at surat, Gujarat, India, we “**Parth Services,**” are one of the leading traders and authorized channel partners SHARP for office automation products. The products offered by us fall under categories like **Photocopier Machine, Copier Machine, Zerox Machine, A3 SizePrinters, Projectors,Projector Screen, Ceiling Mount Kit, LCD Monitor, Professional LCD Displays,LCD Touch Screen, Video Wall, Fax, Solar Street Lights, Solar Power Packs, etc..**

Starting our business operations with **SHARP** in the year **1999**, our business operations are led by **Mr. Amrish Patel**, who has with him 16 years of rich industry experience in this industry sector. This helps him provide visionary support to the involved business operations as well as support the initiatives undertaken by the team to source and deliver latest technology based Office Automation range as desired by the customers. Today, our strong business tie-ups with leading Electric Giants ‘**SHARP, Japan**’ helps us to deliver optimum performance based & genuine range of Office Automation products as specified by the customers. Further, our direct association with manufacturers also ensures that latest technology support is provided to customers as soon as it is launched in the market and that too at competitive market prices.
