Patel Steel Furniture Works

<https://www.indiamart.com/patel-steel-furniture-works/>

We are one of the reputed manufacturer and supplier of steel and wooden furniture. Our product range is appreciated in the market for its durability, strength, termite resistance and comfort quotient.

About Us

Established in the year **1967**, we, "**Patel Steel Furniture Works**", are engaged in providing our customers a wide range of **Steel And Wooden Furniture**. We manufacture the products using sophisticated machinery and advance technology in order to match the growing requirements of the clients. Intricate designs and high quality wood are used so as to increase the service life of the products offered by us. All the products are acknowledged in the industry for their finishing, polishing, reliability, strength and termite resistance. Our infrastructure unit is embedded with all the necessary tools and machinery needed for the production of the products. All the products can be customized on the basis of drawings and details laid down by the customers. Our team of quality controllers keep a track right from the procurement of the raw material till the final dispatch of the consignments. These products can be availed from us at affordable prices. Our good financial position & TQM, large product line and large production capacity have gained us favourable position in the market. Under the able guidance of our mentor, '**Mr. Ashwin Bhuva**', we have been able to hold a long market stand. His sincerity and determination towards work have enabled us in providing our clients with qualitative product line.
