Pathak Industries Kol

<https://www.indiamart.com/pathak-machine-industries/>

Our company is prominent in the industry due to its ability of manufacturing, supplying, exporting and trading a precisely designed range of Workshop Machine and others. Without any compromise on quality, we ensure timely delivery of range.

About Us

Our company introduces itself as a major **manufacturer, exporter, trader** and **supplier** of **Plant Machinery**. It distinguishes and sets a different standard for itself by its high level performances in the arena of **Plant Machinery**. Add to this the team work, meticulous planning, quality control, capacity of production, the skills of its technicians and specialized engineers. The vast range of **Plant Machinery** includes **Workshop Machine, Automobile Machine, Sheet Metal Machine** and **Automatic Fastener Making Machine**. The company aims to follow ethical business practices and transparency in all its dealings which has won its accolades in the industrial sector.

The company visualizes creating an organizational structure and management systems that are necessary to assure customer service and establish it as an unbeatable player in the field of manufacturing & supply of Plant Machinery. Continued customer satisfaction translates into progress for the company, this has been the mantra when the company formulates its vision for the future projects.

By dint of sincere efforts and uncompromising attitude towards quality control, the company has earned a prominent position in the Industrial map of India since very birth which has contributed seriously in placing itself as a market leader & renowned exporter of Plant Machinery with extra prominence in the Eastern Region. We are having our manufacturing unit...
