About Us

Inaugurated in the year **2016**, **Patil Products** is a foremost **manufacturer** of **Pure Powder**. These products are formulated in the most hygienic surroundings by making use of natural and pure ingredients by our talented food experts keeping in consideration food industry norms and guidelines. The provided products are extremely applauded by our customers for features such as rich aroma, excellent medicinal property, stimulating flavor, high nutrition value, hygienic nature and long shelf life. Our customers can avail these products from us in diverse packaging options as per their specific demands and requirements.

Located at **Palghar (Maharashtra, India)**, we have designed a state-of-the-art infrastructure unit that comprises diverse departments such as processing, storing, quality testing and packaging. In order to perform systematic production process, we have developed these units in a synchronized manner. Our up-to-date processing department is completely hygienic to evade any type of contamination. We have equipped sophisticated machines, tools and technology that are operated by our adroit team of professionals. Owing to our hi-tech facility and adept workforce, we have enabled us to satisfy urgent and voluminous needs and demands of our valuable customers in promptly manner. In addition to this, our quality experts carry out strict quality checks at every stage of processing, which make sure to provide excellent quality products to...
