## About Us

Patnitop: By far the most popular of J&K's hill resorts is a hilltop tourist location in Udhampur, situated on a plateau in the Shiwalik belt of the Himalayas, Patnitop sits at an altitude of 2024 metres. The river Chenab flows in close proximity to this location. It comprises several meadows enveloped by thick forests of Deodar(Cedar) and Kail(Blue Pine) trees, and affords peaceful walks amidst conifer groves, beautiful spots for enjoyable picnics and breath taking views of the Chenab basin and the Pir Panjal range beyond. For solace one can visit the beautifully located Nag Mandir at Karlah village. Patnitop Other activities include horse rides and short treks into the surrounding hills. Patnitop also draws a lot of tourists when it snows during winters (January-February). The meadows with their gentle slopes are ideal for skiing and sledging. Skiing courses for beginners are conducted here. One can also drive through thick forests 12 kms downhill to Batote, an old hill station also known for apple orchards, Amar Cheshma and other springs and countless dhabas (eattries).
