About Us

PATSONS EXPORTS (INDIA) is one of the distinguished manufacturers and exporters of Multicolour PP woven bag & fabrics all across the world for more than a decade. Our factory which is located in the outskirts of Vadodara has been installed with one of the most advanced machinery. Due to our impeccable track record of manufacturing a large variety of quality products, we have carved a niche space for ourselves in the PP woven bags & fabric market. Our vision is to become the most respected solution provider for all plastic packaging needs in the global market, driven by market externally and people internally. We are inspired on day to day basis by our mission to continuously enhance the quality of our products and provide value to our clients. We invest into new technology to produce world class bags and provide them at competitive prices. Therefore, our reach extends to countries like Singapore, Ireland, UK, USA, Mozambique, Zimbabwe, Tanzania, Zambia, Kenya, South Africa, Sudan, Saudi Arabia etc.
