## About Us

PATTON is a Govt. Recognised Export House and a Star Exporter.

PATTON is an ISO 9001:2008 company and a premier manufacturer of Steel Stampings and EMT Fitting Products as per International quality standards.

A leader in the field of plastic tanks, containers and PVC pipes.

Has 5 sophisticated state of the art multilocational plants in West Bengal, India spread over 500,000 sq ft equipped with machineries mostly imported from USA, Germany and Taiwan.

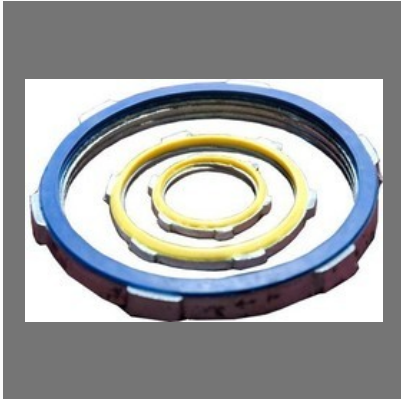

Long and credible history of supplying to major OEM's which itself speaks of our commitment to Quality and On-Time delivery.
