Here, every garment tells a tale, a tale that shimmers in the seams & whispers from the folds. The hint of a smile of the Masterful embroider who sits in the winter sun, using the colours of the most radiant rainbows in his creation.

About Us

Here, every garment tells a tale, a tale that shimmers in the seams & whispers from the folds. The hint of a smile of the Masterful embroider who sits in the winter sun, using the colours of the most radiant rainbows in his creation.

Numberless folk tunes and dreams are sewn into every single piece and they speak one language - the language of love & grace.
