## About Us

PEARL INTERNATIONAL is a newly emerging manufacturer and exporter dealing in world class woven garments. The factory produces various garments like formal and casual shirts and trousers catering to both men and women. Our workshop spreads over 50,000 square feet. We have more than 350+ skilled workers and excellent production lines; that together make it possible for us to manufacture products in keeping with the high quality standards we have set enabling us to deal in huge quantities too. We also have tremendous technical strength which enables us to develop new designs in Fabrics and Garments. With our good service, you can be assured that you have a range of top quality products coming at great prices. We warmly welcome all customers to contact us and we continue to extend our cooperation to them.
