<https://www.indiamart.com/pediatric-neurosurgeon/>

Offering neuroendoscopy services, hydrocephalus treatments, spinal dysraphism treatments, encephaloceles treatments.

About Us

Pediatric Neurosurgeon treats infants and children with disorders affecting the central and peripheral nervous system.

Pediatric Neurosurgery is a sub-specialty of Neurosurgery and requires additional fellowship training after residency to specialize in the care of infants and children. The specialty focuses on the particular problems seen, and sometimes unique to, the pediatric age group. As such, my practice is exclusively dedicated to the care of children with neurosurgical disorders and incorporates a team approach involving many other Pediatric specialists including Paediatricians, Pediatric-Neurologist, Pediatric Intensivist, Pediatric-Anesthesia, Neuro-radiologist, Neuro-oncologist, Pediatric-Orthopedics and Plastic-Surgeon.

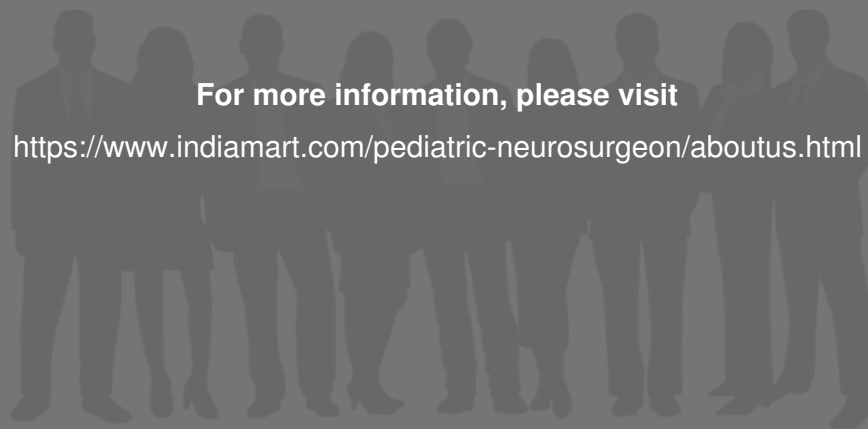

I treat Infants and Children with disorders affecting the Central Nervous System

- Hydrocephalus [Including Neuroendoscopy]
- Tethered Cord syndrome [Spinal Dysraphism, Spina Bifida]
- Brain and Spinal Cord Tumors (Pediatric Neuro-oncology)
- Craniosynostosis
- Surgery for Epilepsy
- Brain and Spinal Cord Trauma
- Cranial Dysraphism
- Cerebrovascular Disorders (Including Moya Moya disease)
- Ante-natal counseling for Neurosurgical Problems
