About Us

Penta IT Services began as a concept for a computer consulting & services company in Feb 2006. The planning is in progress, and slowly developed throughout 2006-07. In 2006, the logo was created by Prijesh Badiyani, and added to business cards at the beginning of 2006. On Feb 14, 2006, the business was officially started, as a Sole Proprietorship, under the name of Prijesh Badiyani. Since it's founding, the business has been steadily growing over the year. With only Five official clients in a year, and a lot of start-up work and expenses, the business income grew by 5 percent. Again, there was a jump increase the business by 20 percent. The business is still steadily growing, and planning shows a large increase in business in the coming years. In trying to keep up with the growth of business, Penta IT Services was performing as a best service provider Company. We still offer the same great array and quality of service at the same rates. Please contact us for more information, and we'll be happy to help you.
