Pera Engineering

<https://www.indiamart.com/peraengineering/>

We are renowned trader, distributor & supplier of CNC Machine Tools, Cutting Tools. The products have required design aspect to take care various client's needs.

About Us

We came into being in the year **2007** and provided its competency as the leading **trader, distributor & supplier** of **CNC Machine Tools, Cutting Tools, Adhesives & Tapes, LED Lighting Systems and Pump Spares**. Our product range comprises **Turning Centres, Vertical Machining Centres, Horizontal Machining Centres, Turning Cutting Tools, Milling Tools, Drilling Tools, Instant Adhesives, Anaerobic Adhesives, Plastic Adhesives, Gasket Adhesives, Packaging Tapes, LED Street Lights, Mercury Vapor Lamps, LED Garden Lights, Impeller, Mechanical Seals etc.**

We source some of these products from reliable vendors, by judging their skills on varied parameters. Along with these products we also provide services for **CNC Machine Tools**.

Support of highly dedicated and skilled staff has enabled us to carve a niche in industry, despite severe competition. Our team comprises quality analysts, marketing executives, sales & service experts, warehouse personnel and other skilled and semi-skilled staffs. We train our employees on regular basis, in order to keep them abreast with the changing and dynamic business environment. Our team work in synchronization with each other and ensure that the tasks assigned to them are completed efficiently and on time.

In order to store our products safely for longer duration, we have developed a capacious warehouse. We have segregated our warehouse in varied units, in order to ensure easy retrieval of products...
