We began our journey in 1996. In the last 14 years we have strengthened, resolved and our harmonized endeavours have helped us carve a niche as India's leading exporter of liquid handling Equipments Micropipette.

About Us

We began our journey in 1996. In the last 14 years we have strengthened, resolved and our harmonized endeavours have helped us carve a niche as India's leading exporter of liquid handling Equipments Micropipette. Perfect Product has a team of dedicated, talented and enthusiastic product designers, production managers and assembly staff that allow us to come up with innovative, durable and accurate products on regular basis. The company enjoys a reputation of a dependable supplier of liquid handling products all over the world due to its strong focus on providing innovative and user friendly liquid handling equipments. Located in one of the most famous regions of India-Lucknow, it has the advantage of fantastic infrastructure. We at present are involved in manufacturing of fixed, variable, multi channel Fully Autoclavable micro pipette, micro tips and pipette stand of the Best Quality at the most Economical Prices. In order to keep pace with the rapid progress made in science and research sector, we have made pipetting even more efficient and comfortable and guarantee the best precision and accuracy. Our unsaturated desire for surpassing international quality benchmarks is demonstrated through ISO 9001 & CE Certification. We augment our definition of quality to encompass other critical components of service delivery, including packaging and logistics.
