About Us

Over two decades ago PERFECT was established to supply eye ointment tubes to multi-national pharma companies and high standards required by the pharma industry because our bench mark. SOPs and GMP have been accordingly established. With this tradition, at PERFECT we believe that the essence of business is customer satisfaction through Quality. On sheer strength of this belief we have grown from 18 million tubes a year in 1982 to 288 million tubes today, with one satisfied customer leading us to another.
